Workshop Dates

All of the workshops offer a beginner friendly introduction to the wonderful art of block printing!

Becky will guide you through each project, with tips and tricks to help you create a beautiful piece to take home and enjoy.

Before you choose a workshop have a look at the list of blank items available to print on and the recommended time for each.

Half day workshops are a great opportunity to tackle a larger piece but you could also choose a smaller item (or two!) and spend any extra time stocking up on personalised greeting cards and stationery.
